

*Certificate of treatment*  
*for*  
*Child Care Center*

*Healthy Child Zone® Program*

**This certificate shall acknowledge that the**

**Little Learner's Academy, Denville, NJ**

has had its furniture, toys, teaching aides and fixtures decontaminated, disinfected and treated with a long-term antimicrobial coating, to significantly reduce the survival of infectious organisms upon their treated surfaces, so as to reduce the opportunity for cross contamination infection of students and staff.

The treatment is warranted for twelve months from date of application.

**Date of Application: 11/23/19**
